

## Stop Overpaying for Credit Card Transactions!

Businesses from Main Street to online stores are making sales to customers who pay with credit cards. Unfortunately, businesses frequently pay more than they have to on each of those sales, which can really cut into revenue and cash flow. Golden Century Lending can cut those unnecessary fees with our merchant services program.

## Merchant Services from Eagle Bend Capital Financing

Our merchant services can help your business save big on credit card processing fees and includes:

- Big savings: We can cut your credit card processing fees by up to 40%
- Easy to implement: Making the switch to our services takes no more than 20 minutes
- Personalized care: Your account manager is a real person. We don't believe in automated menu systems.

To start saving money on processing credit card transactions, contact Golden Century Lending.
